**REMINDER TO ALL RESIDENTS  
HELP US GET THE LEAD OUT!**

The United States Environmental Protection Agency (EPA) has mandated all community and non-transient non-community water systems to submit a service line inventory to identify the material of all service lines connected to the public water distribution system. The Weatherly Borough is requesting your help in identifying and ultimately removing lead service lines from existing infrastructures. To view the Inventory Service Line please contact the borough office to make an appointment at 570-427-8640 Monday-Friday 8:00 am to 4:00 pm, or go to the following link to complete the survey:
