ZONING PERMIT APPLICATION

An Application is hereby made for a permit to erect or alter a structure which shall be located as shown on diagram attached with this sheet and/or to use the premises for the purposes herewith. The information which follows, together with the location diagram, is made part of this application by the undersigned. It is understood and agreed by this applicant that any error, misstatement or misrepresentation of material fact, either with or without intention on the part of the applicant, and as might or would operate to cause a refusal of this application, or any change in the location, site or use of structure or land made subsequent to the issuance of this permit, without approval of the Zoning Office, shall constitute sufficient ground for the revocation of this permit. **Applications will be processed within 3-7 business days.**
